Reef Ball Foundation Featured in Wall Street Journal

Posted By [Stephan Whelan](#) on Thursday Oct 25, 2007 @ 23:22 in [Scuba](#)

[Print this Page](#)

Todd Barber, Chairman of the [Reef Ball Foundation](#), a charity dedicated to the rehabilitation of Coral Reefs around the world, has told us that the foundation is being featured in the Wall Street Journal on Friday 26th October 2007.

This follows on from a major redesign of the Reef Ball website to include more details on how volunteers can setup their own rehabilitation projects.

For more information head to the [Reef Ball](#) website.
