### Golden Beach Memorial Reef Update

We are pleased to see that the reefs located at Golden Beach Reef located in Florida between Miami and Ft. Lauderdale are doing well. On January 19th 2007, we were fortunate to have the opportunity to dive on the reefs and take some photos. The reefs are attracting a wide variety of fish and are being covered with various corals and sea life.

We are pleased to welcome the new reefs placed that day into our existing group that are already there. Thanks again for everyone's help including our friends from the R/V Stephan and DERM.

### Eternal Reefs on TV

The Sundance Channel recently completed filming a segment to be aired in the near future. Please watch your local schedule for the story!

### Military Honors ceremony in New Jersey

Our viewing ceremony in New Jersey was unique in that four branches of service were represented at one time. The weather was nice and many family members attended the Viewing and Dedication ceremonies.

the progress on the reefs we observed.

### Sarasota Memorial Reefs Update

We visited our reefs in Sarasota and found plenty of new growth and sealife. We couldn't be more pleased with
