Sportsman's Guide

**A brief look at what's
biting what, and where:**

AL HUBBARD

The News Herald

SALTWATER:

- ⚡ **Mexico Beach Offshore** - The Spanish mackerel seem to come in spurts. Once located, limits are fairly easy. A nice cobia was brought in this week. There have been some king mackerel strikes. Pompano are being caught from the piers and along the shore. **The Reef Ball Association Cobia tournament** is scheduled for May 2. - **Marquardt's Marina**
