Marine Parks of Malaysia - Reefball Reef at Pulau Paya

These 21 Reefballs being loaded on a trailer will be sent to Kuala Kedah awaiting final deployment to Pulau Paya, another one of Malaysia's premium marine park resources.

40ft trailer with pallets laid on its deck

Reefballs are hoisted on to the trailer

A backhoe is used to hoist the 400kg balls

Hoisting high over the railings

20 Bay balls and 1 lo-pro in front

21 Reefballs loaded heading for Kuala Kedah
